

NORTHWEST'S CAREER PATHWAY

FIND OPENINGS: <https://www.northwest.bank/careers/>

Business Description

At Northwest, we're the bank where people make the difference.

We're real people with a shared passion for helping others. We care about our coworkers and our customers, and act with their best interests in mind. Together, we have the power to help people reach their financial goals – and the opportunity to improve their lives.

Established in a small town in northwestern Pennsylvania, our rich heritage is rooted in an unwavering commitment to serving our customers and communities. That's been our foundation for 125 years and counting. As we continue to grow and evolve, our customers remain the very heart of what we do.

Knowledge, Skills, and Abilities Needed

We are looking for employees who have...

- High School Diploma or Equivalent, Preferred
- Customer Service, Banking, and/or Retail Experience, Preferred
- Cash Handling Experience with Accuracy and Efficiency, Preferred

NORTHWEST'S CAREER PATHWAY*

FIND OPENINGS: <https://www.northwest.bank/careers/>

Teller or Floating Teller

Northwest tellers welcome customers, efficiently process transactions, resolve problems and uncover financial needs. The floating teller position travels to various locations and works a varied, flexible schedule.

Personal Banker

Personal Bankers have an in-depth knowledge of Northwest products and services. The Personal Banker connects our customers with Northwest products and services while ensuring an exceptional customer experience that helps implement strategies to attain office goals.

Assistant Office Manager or Office Manager

Northwest Assistant Managers support managers in leading the office and team in areas of customer experience, production and sales, community relations and operations.

Office Managers oversee office operations, ensure team accountability to policies and procedures, and develop and lead sales strategies that leverage Northwest technology to attain customer acquisition and retention goals.
