## About the company:

Since 1950, we've been in the business of helping our members plan for the future, cultivate smarter habits, and afford more of the things they love. Starting with a small desk and small counter outside the personnel office at the Naval Supply Depot in Mechanicsburg, PA, we've now grown to over 50 branches across 10 counties. Everything we do is in the best interest of all of us. We're here to help members thrive and better the communities we serve. We offer a full suite of financial tools and services that help our members meet their financial needs.

### Company Culture is at Our Core

If there is one concept, we want you to understand about us, it is this. WE. It is a simple little word but means everything here. We think as one. One faM1ly. One community. One place where everyone belongs. Everything we do is in the best interest of all of us.
