

Spanish Island Foods

44 N Queen St LANCASTER, Pennsylvania 17603

FIND OPENINGS: www.sifoodsinc.com/

Business Description

With a focus on vibrant Spanish and Caribbean flavors, Aaron and Giandrew Handy started Spanish Island Foods in 2020, serving empanadas, pinchos, fries, and sandwiches from their food truck in York.

Although the pair were passionate about sharing their cuisine, starting a business in 2020 made growth hard, but they were resilient, as they are no strangers to facing challenges head-on.

Knowledge, Skills, and Abilities Needed

We're looking for employees who are or have...

- Team Player
