## **Business Description**

The Lancaster-Lebanon IU13 is an education service agency dedicated to providing services, supports and solutions that make a difference for all learners and our community. IU13 is a hybrid of both education and business which supports students directly through classroom instruction and supports schools indirectly in various areas of business operations.

Many people think IU13 is solely focused on school-age special education. While this is a very large part of the work at IU13, the organization also supports students in nonpublic schools, preschools as well as adult learners throughout our communities.

## **Knowledge, Skills, and Abilities Needed**

We're looking for employees who are or have...

- A minimum of High School Diploma or GED/HSE (varies by position).
- A kind and caring heart and the drive to work hard at work worth doing!
- A dedication and passion for helping others.
